

ATTACHMENT TO INTERVIEW ON FEBRUARY 04, 2009 SN 10/598377

Attorney requested clarification for paragraph 4 last paragraph which were remarks pertaining to the first paragraph as to the scope of the formula which contains possible errors as well as not fully defined as alleged by this Examiner. Attorney indicated that the formula will be changed to better clarify the formula with respect to the units and definitions. Examiner indicated that the change from deg C to deg K which is a plus 270 must be fully supported by the German application. Also, Attorney indicated that claims 9 and 10 are satisfactory and possibly will submit arguments or possibly clear it up by the amendment(s) to claim 1.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HERBERT J. LILLING whose telephone number is 571-272-0918. The examiner can normally be reached on WORK AT HOME MAXIFLEX.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, JON WEBER can be reached on 571-272-0925. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
